

**Kazakh National Medical University named after S.D. Asfendiyarov
Public Foundation “Kazakhstan Professional Society of Hematologist-Oncologists”**

**Programme of the
International Scientific and Practical Conference
“Haematologist of the 21st Century”
14 - 15 March 2026**

**Chair: Ramzanova R.M., MD
NOVOTEL ALMATY CITY CENTER**

SPEAKERS

RAMAZANOVA RAIGUL MUKHANBETOVNA
Doctor of Medical Sciences, Professor of the Department of Internal Medicine at S.D. Asfendiyarov Kazakh National Medical University, President of the Kazakhstan Professional Society of Oncologists and Haematologists

MASSIMO FEDERICO
Senior Professor of Medical Oncology at the University of Modena and Reggio Emilia, Modena, Italy, and Director of the Salentino Cancer Institute, Lecce. President of the Angela Serra Association for Cancer Research, Modena

JUSTINE BRODARD
Specialist in vigilance assessment, haemovigilance, blood transfusion, Swissmedic, Bern, Switzerland

REBMAN EKATERINA VLADIMIROVNA
Doctor of Medical Sciences, Privat docent at the Faculty of Medicine, University of Bern, Deputy Head of Oncology and Haematology at the Cantonal Hospital of Neuchâtel

TROITSKAYA VERA VITALIEVNA
Doctor of Medical Sciences, First Deputy Director General, Chief Physician, Federal State Budgetary Institution ‘National Medical Research Centre for Haematology’ of the Ministry of Health of the Russian Federation, Moscow

BABENKO ELENA VITALIEVNA
Head of the Cryopreservation Department with the Hematopoietic Cell Quality Control Laboratory at the R. M. Gorbacheva Research Institute of Pediatric Oncology, Hematology, and Transplantation St. Petersburg, Russian Federation

KOVRIGINA ALLA MIKHAILOVNA
Doctor of Medical Sciences, Head of the Pathological Anatomy Department, Federal State Budgetary Institution ‘National Medical Research Centre for Haematology’ of the Ministry of Health of Russia, Moscow, Russia

BAIKOV VADIM VALENTINOVICH
MD, Professor, Head of the Department of Pathological Anatomy of the St. Petersburg State Medical University named after Academician I.P. Pavlov, Head of the Department of Pathological Anatomy No. 2 (Hematopathology) at St. Petersburg State Medical University named after Academician I.P. Pavlov, Head of the Pathomorphology Research Center at St. Petersburg State Medical University named after Academician I.P. Pavlov, Saint Petersburg, Russian Federation

OLENA LUKIANETS
Head of the Department of Haematology and Bone Marrow Transplantation (Clinical Centre of Oncology, Haematology, Transplantation and Palliative Care, Cherkasy, Ukraine)

KOVZEL ELENA FYODOROVNA
Doctor of Medical Sciences of the Republic of Kazakhstan and the Russian Federation, Head of the Immunology and Allergology Programme at the UMC, Chair of the Kazakh Society of Immunodeficiencies and the Association of Immunologists, Chief Allergist and Immunologist at the Ministry of Health of the Republic of Kazakhstan

PIVOVAROVA IRINA ALEKSEEVNA
MD, MBA, General Director of the Hematology Center LLP, Chairman of the Board of the Kazakhstan Society of Hematologists

KEMAIKIN VADIM MATVEYEVICH
Chief Haematologist of Ministry of Health of the Republic of Kazakhstan, Head of the Centre for Oncology and Haematology and Bone marrow transplantation, National Research Oncology Center, Astana

TURGUNOVA LYUDMILA GENNADIEVNA
Doctor of Medical Sciences, Professor of the Department of Internal Medicine, Karaganda Medical University

KLODZINSKY ANTON ANATOLYEVICH
Ph.D., Deputy Director General for Clinical, Educational, and Scientific Affairs at the Haematology Centre LLP, Astana

AZIMBAEV GALIMZHAN SAIDUELAIEVICH
Ph.D., vascular surgeon, X-ray surgeon, Artven Clinic, Almaty

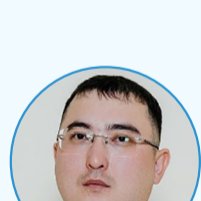

DUSHIMOVA ZAURE DMITRIEVNA
PhD, hematologist, associate professor and researcher at the Department of Fundamental Medicine, Al-Farabi Kazakh National University.

DZHAZYLTAEVA AKMARAL SOVITOVNA
haematologist, Haematology and Bone Marrow Transplantation Centre, Kazakh Scientific Research Institute of Oncology and Radiology, Almaty

ZINCHENKO ALENA VASILYEVNA
Deputy Director for Clinical Work at the Karaganda Branch of the Haematology Centre, Karaganda

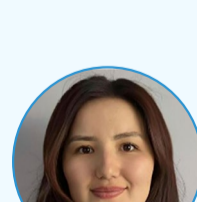

KARABEKOV AZAT BAGLANOVICH
Head of Oncohematology Department, National Research Oncology Center, Astana, Kazakhstan

SULEIMENOVA AIZAT SERIKHANOVNA
Head of the Day Care Unit at the Centre for Oncology, Haematology and Bone Marrow Transplantation, National Research Oncology Center, Astana

KOSHKARBAEVA AIGERIM BOLATOVNA
haematologist, Haematology and Bone Marrow Transplantation Centre, Kazakh Scientific Research Institute of Oncology and Radiology, Almaty

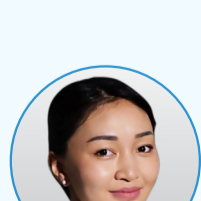

SHALABAY AYDANA ISATAEVNA
haematologist, Haematology and Bone Marrow Transplantation Centre, Kazakh Scientific Research Institute of Oncology and Radiology, Almaty

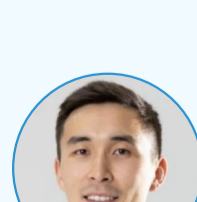

ZHUMABAI MADINA KANYBEKQZY
haematologist, Haematology and Bone Marrow Transplantation Centre, Kazakh Scientific Research Institute of Oncology and Radiology, Almaty

AMANGELDINOV ERLAN
Head of the Oncology and Haematology Department at the Regional Hospital in Taldykorgan

ZULKARNAY TOGZHAN BULATOVNA
haematologist, assistant at the Department of Internal Medicine, S. Asfendiyarov Kazakh National Medical University, Almaty

ZAPPARGALY NURKEN ESENGELDULY
resident hematologist, Department of Internal Medicine, Kazakh National Medical University named after S.D. Asfendiyarov

VALIEVA MADINA RUSLANOVNA
resident hematologist at the Department of Internal Medicine, Kazakh National Medical University named after S.D. Asfendiyarov

PROGRAMME

DAY I 14 March 2026

09:00 – 09:50 Registration of participants
09:50 – 10:00 Welcome speech
Ramazanova Raigul Mukhanbetovna
MD, Professor of the Department of Internal Medicine at Kazakh National Medical University named after S.D. Asfendiyarov, President of the “Kazakhstan Professional Society of Hematologist-Oncologists”

section 1.
LYMPHOPROLIFERATIVE DISORDERS
Moderators: Ramazanova R.M., MD, Massimo Federico, Rebman E.V., MD

10:00 – 10:20 “Management of Follicular Lymphoma in 2026”
Massimo Federico
Senior Professor of Medical Oncology at the University of Modena and Reggio Emilia, Modena, Italy, and Director of the Salentino Cancer Institute, Lecce. President of the Angela Serra Association for Cancer Research, Modena

10:20 – 10:40 “Optimisation of therapy for advanced stages of Hodgkin lymphoma (ECHELON-1 data)”
Akmaral Sovitovna Dzhazylytaeva
Hematology and Bone Marrow Transplant Centre, KazNIOR JSC, Almaty
Supported by Takeda

10:40 – 11:00 “When the target is found: real-world experience and prospects for the use of Ibrutinib in CLL”
Alena Vasilyevna Zinchenko
Deputy Director for Clinical Work at the Karaganda Branch of the Haematology Centre LLP, Karaganda
Supported by Johnson & Johnson

11:00 – 11:15 “A rare tumour of lymphatic tissue: follicular dendritic cell sarcoma”
Koshkarbaeva Aigerim Bolatovna
haematologist, Haematology and Bone Marrow Transplantation Centre, Kazakh Scientific Research Institute of Oncology and Radiology, Almaty

11:15 – 11:30 “Central nervous system lymphoma: results of 10 years of clinical observation”
Valieva Madina Ruslanovna
resident hematologist at the Department of Internal Medicine, Kazakh National Medical University named after S.D. Asfendiyarov

11:30 – 11:45 Coffee-break
Moderators: Kemaikin V.M. Ph.D, Gabbasova S.T.

11:45 – 12:05 “Mantle cell lymphoma management in 2026”
Ramazanova Raigul Mukhanbetovna
MD, Professor of the Department of Internal Medicine, S.D. Asfendiyarov Kazakh National Medical University, Haematologist
Supported by AstraZeneca

12:05 – 12:20 “Optimisation of induction therapy for multiple myeloma: the role of risk stratification and additional biomarkers”
Karabekov Azat Baglanovich
Head of the Oncology and Haematology Department, National Research Oncology Center, Astana
Supported by Johnson & Johnson

12:20 – 12:35 “The current landscape of AL amyloidosis: global trends and realities in Kazakhstan”
Vadim Matveyevich Kemaikin
Ph.D., Chief Haematologist of Ministry of Health of the Republic of Kazakhstan, Head of the Centre for Oncology and Haematology and Bone marrow transplantation, National Research Oncology Center, Astana
Supported by Johnson & Johnson

12:35 – 12:50 “AL amyloidosis from a haematologist’s perspective: key points”
Klodzinsky Anton Anatolyevich
Ph.D, Deputy Director General for Clinical, Educational, and Scientific Affairs at the Haematology Centre LLP, Astana
Supported by Johnson & Johnson

12:50 – 13:10 “Clinical, pharmacological and economic analysis of first- and second-line therapy for chronic lymphocytic leukaemia with Bruton’s tyrosine kinase inhibitors in Kazakhstan”
Turgunova Lyudmila Gennadiyevna
MD, Professor of the Department of Internal Medicine, Karaganda Medical University
Supported by AstraZeneca

13:10 – 14:00 Lunch
Moderators: Klodzinsky A.A. Ph.D, Sabyrbaeva G.A. Ph.D

14:00 – 14:20 “Secondary immunodeficiencies in the work of a haematologist/ Secondary hypogammaglobulinaemia in the work of a haematologist”
Kovzel Elena Fyodorovna
MD, of the Republic of Kazakhstan and the Russian Federation, Head of the Immunology and Allergology Programme at the UMC, Chair of the Kazakh Society of Immunodeficiencies and the Association of Immunologists, Chief Allergist and Immunologist at the Ministry of Health of the Republic of Kazakhstan
Supported by Takeda

14:20 – 14:45 “Refractory/Resistant CMV Infection after Allogeneic HSCT”
Dr. Olena Lukianets
Head of the Department of Hematology and Bone Marrow Transplantation of Clinical Centre of Oncology, Haematology, Transplantation and Palliative Care, Cherkasy, Ukraine
Supported by Takeda

14:45 – 15:05 “Management of patients after cell therapy (CarT, allo-BMT)”
Rebman Ekaterina Vladimirovna
MD, Privat docent at the Faculty of Medicine at the University of Bern, Deputy Head of Oncology and Hematology Cantonal Hospital of Neuchâtel
Supported by Public Foundation

15:05 – 15:20 “Extramedullary multiple myeloma: a clinical case of successful tandem autologous HSCT”
Zhumbabay Madina Kanybekkyzy
haematologist, Haematology and Bone Marrow Transplantation Centre, Kazakh Scientific Research Institute of Oncology and Radiology, Almaty

section 2.
ACUTE LEUKAEMIA
Moderators: Sagindykov G.A., Zinchenko A.V.

15:20 – 15:40 “Molecular-genetic risk stratification in acute myeloid leukemia and modern opportunities for improving therapeutic outcomes”
Klodzinsky Anton Anatolyevich
Ph.D., Deputy Director General for Clinical, Educational, and Scientific Affairs at the Haematology Centre LLP, Astana
При поддержке Pfizer

15:40 – 15:55 “Myeloid sarcoma: observational experience and clinical case”
Shalabai Aydana Isataevna
haematologist, Haematology and Bone Marrow Transplantation Centre, Kazakh Scientific Research Institute of Oncology and Radiology, Almaty

15:55 – 16:10 Clinical case: “Treatment of newly diagnosed acute lymphoblastic leukaemia in a multiple pregnancy complicated by premature birth”
Koshkarbaeva Aigerim Bolatovna
haematologist, Haematology and Bone Marrow Transplantation Centre, Kazakh Scientific Research Institute of Oncology and Radiology, Almaty

16:10 – 16:25 Coffee-break

section 3.
DIAGNOSTICS IN HAEMATOLOGY
Moderators: Baikov V.V. MD, Kovrigina A.M. MD, Baikov V.V. MD

16:30 – 16:40 “MDS/MPN. Clinical case”
Zulkarna Togzhan Bolatovna
Assistant Professor, Department of Internal Medicine, Kazakh National Medical University named after S.D. Asfendiyarov, Haematologist

16:40 – 16:50 “Myelodysplastic syndrome. Clinical case”
Ashimbek Nursulu
Haematology Resident, Department of Internal Medicine, Kazakh National Medical University named after S.D. Asfendiyarov

16:50 – 17:00 Questions and Answers from Experts

17:00 – 17:20 “Pathomorphological picture of bone marrow in chronic myeloproliferative neoplasms, differential diagnosis in reactive states”
Baikov Vadim Valentinovich
MD, Professor, Head of the Department of Pathological Anatomy of the St. Petersburg State Medical University named after Academician I.P. Pavlov, Head of the Department of Pathological Anatomy No. 2 (Hematopathology) at St. Petersburg State Medical University named after Academician I.P. Pavlov, Head of the Pathomorphology Research Center at St. Petersburg State Medical University named after Academician I.P. Pavlov, Saint Petersburg, Russian Federation
Supported by Public Foundation

17:20 – 17:35 “Survival analysis and assessment of the effectiveness of T-cell lymphoma therapy in the Republic of Kazakhstan: a 10-year retrospective review”
Zappargaly Nurken Esengelduly
resident hematologist, Department of Internal Medicine, Kazakh National Medical University named after S.D. Asfendiyarov

17:35 – 17:50 “Hemophagocytic lymphohistiocytosis (HLH) in adults: diagnosis, differential diagnosis, and treatment”
Klodzinsky Anton Anatolyevich
Ph.D., Deputy Director General for Clinical, Educational, and Scientific Affairs at the Haematology Centre LLP, Astana

**17:50 – 18:00 Award ceremony for winners of the young hematologist competition
End of Day 1**

PROGRAMME

DAY II 15 March 2026

section 3. DIAGNOSTICS IN HAEMATOLOGY

Moderators: Kovrigina A.M. MD, Babenko E.V. Ph.D, Dushimova Z.D. PhD

- 09:30 - 09:50** **“The role of bone marrow trepanobiopsy in the differential diagnosis of MDS”**
 Kovrigina Alla Mikhailovna
 Doctor of Medical Sciences, Head of the Pathological Anatomy Department, Federal State Budgetary Institution “National Medical Research Centre for Haematology” of the Ministry of Health of Russia, Moscow, Russia
Supported by Public Foundation
- 09:50 - 10:10** **“MDS and myelodysplastic subtype of CMML with cytopenia”**
 Kovrigina Alla Mikhailovna
 Doctor of Medical Sciences, Head of the Pathological Anatomy Department, Federal State Budgetary Institution “National Medical Research Centre for Haematology” of the Ministry of Health of Russia, Moscow, Russia
Supported by Public Foundation
- 10:10 - 10:15** **Questions and answers**
- 10:15 - 10:35** **“Immunophenotyping in the diagnosis of haematological malignancies. Analysis of complex cases”**
 Babenko Elena Vitalievna
 Ph.D., Head of the Cryopreservation Department with the Haematopoietic Cell Quality Control Laboratory at the R.M. Gorbacheva Research Institute of Pediatric Oncology, Hematology, and Transplantation, St. Petersburg, Russian Federation
Supported by Public Foundation
- 10:35 - 10:55** **“Interpretation of immunophenotyping data” - interactive**
 Rebman Ekaterina Vladimirovna
 MD, Privat docent at the Faculty of Medicine, University of Bern, Deputy Head of Oncology and Haematology at the Cantonal Hospital of Neuchâtel
Supported by Public Foundation
- 10:55 - 11:00** **Questions and answers**
- 11:00 - 11:15** **Coffee-break**
- 11:15 - 11:25** **“Acute myelomonocytic leukaemia. Clinical case”**
 Kudaibergen Marzhan Bakhytovna
 Assistant Professor, Department of Internal Medicine,
 Kazakh National Medical University named after S.D. Asfendiyarov
- 11:25 - 11:35** **“Chard-Stross Syndrome. Clinical Case”**
 Tynyshtybaev Bekarys Asylbekovich
 Resident Haematologist, Department of Internal Medicine,
 Kazakh National Medical University named after S.D. Asfendiyarov
- 11:35 - 11:55** **“Genetic diagnostic methods in hematology”**
 Dushimova Zaure Dmitrievna
 PhD, hematologist, associate professor and researcher at the
 Department of Fundamental Medicine, Al-Farabi Kazakh National University

section 4. HAEMOSTASIS PATHOLOGY

Moderators: Ramazanova R.M. MD, Justine Brodard, Zagurskaya E.Yu.

- 11:55 - 12:25** **“Thrombophilia and pregnancy: when anticoagulants are needed”**
 Justine Brodard
 Alertness assessment specialist, haemovigilance, blood transfusion, Swissmedic, Bern, Switzerland
Supported by Public Foundation
- 12:25 - 12:45** **“Antiphospholipid syndrome in vascular surgery practice: from thrombosis to treatment strategy”**
 Azimbaev Galimzhan Saidulaevich
 Ph.D., vascular surgeon, X-ray surgeon, Artven Clinic, Almaty
Supported by Public Foundation
- 12:45 - 13:05** **“Aplastic Anemia 2025: Decision-Making Algorithms in the Era of TPO Agonists”**
 Pivovarova Irina Alekseevna
 MD, MBA, CEO of Hematology Center LLP, Chair of the Board of the Kazakhstan Society of Hematologists
Supported by Abdi Ibrahim Global Pharm
- 13:05 - 14:05** **Lunch**

section 5. RARE DISEASES IN HAEMATOLOGY

Moderators: Ramazanova R.M., MD, Suleimenova A.S., Zinchenko A.V.

- 14:05 - 14:25** **“Paroxysmal nocturnal haemoglobinuria today: algorithms for selecting pathogenetic therapy”**
 Klodzinsky Anton Anatolyevich
 Ph.D, Deputy Director General for Clinical, Educational, and Scientific Affairs at the Hematology Centre, Astana, Kazakhstan
Supported by Novartis
- 14:25 - 14:45** **“Factor B inhibitor - a new option for PNH therapy”**
 Suleimenova Aizat Serikhanovna
 Head of the Day Care Unit at the Centre for Oncology, Haematology and Bone Marrow Transplantation, National Research Oncology Center, Astana
Supported by Novartis
- 14:45 - 15:00** **“The efficacy and safety of eculizumab in paroxysmal nocturnal haemoglobinuria: five years of experience at the Haematology Centre”**
 Zinchenko Alena Vasilyevna
 Deputy Director for Clinical Work at the Karaganda Branch of the Haematology Centre LLP, Karaganda
Supported by KΦK
- 15:00 - 15:15** **“Clinical case of a patient with PNG”**
 Amangeldinov Erlan Amangeldyuly
 Head of the Oncology and Haematology Department at the Regional Hospital in Taldykorgan
Supported by KΦK
- 15:15 - 15:35** **“Management of patients with acute leukaemia during pregnancy”**
 Troitskaya Vera Vitalievna
 Doctor of Medical Sciences, First Deputy Director General, Chief Physician, Federal State Budgetary Institution “National Medical Research Centre for Haematology” of the Ministry of Health of the Russian Federation, Moscow
Supported by Public Foundation
- 15:35 - 15:45** **Summing up. Conclusions**
- 15:45 - 16:00** **Coffee-break**
